Brander Matthews, Esq.

Chancellor of the Amer. Academy of Arts & Letters
337 West 87th Street, New York City

Dear Sir:

In connection with the laying of the cornerstone of the American Academy of Arts and Letters adjoining our Museum, it has been suggested that you might like to have a **bronze** copy of the gold medal which is to be presented to Marshal Foch on the same afternoon, for inclusion with other objects which are to be placed in the cornerstone.

The American Numismatic Society would be very happy to present a bronze medal for this purpose if the suggestion meets with your approval.

Very respectfully yours,

Secretary
